

Accessibility Statement

Oakdale Credit Union desires to provide a positive experience to all of our members and potential members, and we aim to promote accessibility, diversity and inclusion. Our goal is to permit our members to successfully gather information and conduct business through our website and other technology platforms.

We are actively working to increase the accessibility and usability of our website. If you have difficulty using or accessing any element of this website or any other Oakdale CU digital technology, please call 608-372-3939. We will work with you to provide the information or item(s) you seek through a communication method that is accessible for you (example - communication through telephone support).

We strive to make our website and other digital technology accessible and continuously work on accessibility improvements. Whether you are using assistive technologies like a screen reader, a magnifier, voice recognition software, or switch technology, our goal is to make your use of Oakdale CU's technology a successful and enjoyable experience.

We recommend using the most current versions of the computer-based assistive technology applications and browsers. There are easy-to-use controls for adjusting the size and colors of content on a web page. There are no ideal sizes or color combinations for all users. By using the controls provided by your browser, you can personalize the content presentation to suit your needs. Keeping your browsers up-to-date will ensure that you have the most options for accessibility. Newer browsers tend to provide more display options to make content accessible, and may work better with assistive technologies.

We do not provide assistive technology applications or browsers. Please visit the individual manufacturer site for information about how to obtain them. You also may have access to assistance from local and state agencies or non-profit groups in your area.

Oakdale Credit Union welcomes feedback on future initiatives for accessibility of this website or our other digital platforms. We encourage anyone who wants to discuss the manner in which we provide goods and services to people with disabilities, has problems accessing our website or using any of our other digital technologies, to contact Oakdale Credit Union by phone at 608-372-3939 or in writing at Oakdale Credit Union, P.O. Box 115, Oakdale WI 54649.
